

Azure Document Intelligence Sample

This is a sample check box

☒

 Check Box 1

☐

 Check Box 2

Azure Document Intelligence Read and Layout model both have a Page collection which contains the words and lines of words in each page. It also has a Paragraph collection which contains information about each paragraph.

First Name: Ziggy

Last Name: Zulueta

Company: LinkedIn

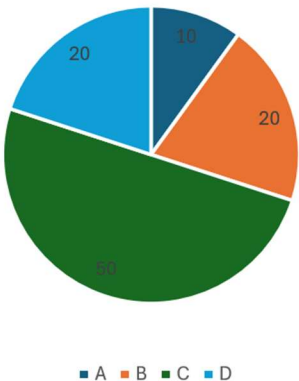

Below is a sample table:

Quantity	Description	Unit Price	Total
1	Azure Virtual Machine	10.00	10.00
3	Managed Disk	5.00	15.00
2	File Share	7.50	15.00

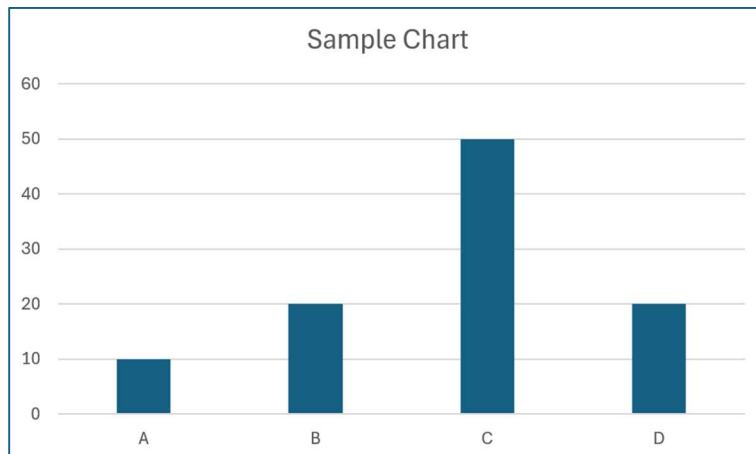

Here is a sample pie chart figure:

Sample Pie Chart

The Layout model has more features. It can capture details of tables, figures, and selection marks and even paragraph roles. It can also provide the document hierarchy.

Another sample chart:

Below is another sample table:

Col Header 1	Col Header 2	Col Header 3
1111	1222	1333
2111	2222	2333
3111	3222	3333
